I-70, Exit 145 beside the Warm Glow Candle Outlet

From a 1914 touring car (one of the first Ford assembly line autos) to a '27 Coupe (the last year Ts were built) and everything in between, the Model T Museum showcases the car that "put the world on wheels." A 1917 TT dump truck, a 1923 English-built Town Car, a firetruck and farm truck, a '26 dirt track racer, a cutaway demo engine and transmission, plus a 1924 Army ambulance (similar to ones used in WWI) will transport you back in time.

## ABOUT OUR GROUP

Founded in 1965, the Model T Ford Club of America (MTFCA) is the largest single marque pre-1930 antique car club in the world and the largest club of Model T owners.

The club is a 501(c)3 corporation. Donations are encouraged and are tax deductible.

The MTFCA's focus is on driving and enjoying the car. We share a passion to preserve and promote the Model T Ford by educating people of all ages in the history, lore and maintenance of the car.

The club has members in all 50 states and 41 foreign countries. Over 130 chapters have formed to provide local activities and fellowship for Model T enthusiasts.

Anyone interested in Model Ts may join; you DO NOT need to own one. Annual dues are \$35 for U.S. members, \$42 for Canadian members, and \$44 for members in other countries. Life memberships are also available.

Membership extends to family members, including spouses and children under the age of 18.

## MEMBER BENEFITS

MTFCA Membership includes:

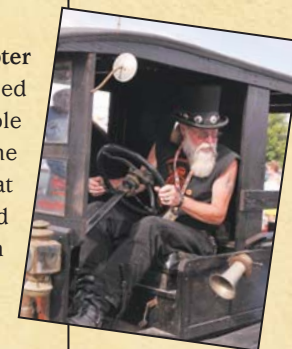

• **Subscription to *The Vintage Ford*** - Our award-winning, magazine includes information on all aspects of the hobby: repair and maintenance articles; information on where to get parts; lists of tours, swap meets and other hobby-related events; plus photos and topics of interest to Model T enthusiasts.

• **Free classified ads in *The Vintage Ford*** (non-commercial ads) up to fifty words each.

• **National, regional and chapter events and tours** - Best described as a vacation where the whole family can relive the days of the Model T Ford, participants at the events often dress in period clothes. National events can attract over 100 Model Ts, many perfectly restored to 'show' quality, while some are 'right off the farm.'

• **Annual Meeting** - Held early in the year, our Annual Meeting offers a mid-winter break. It gives our members the opportunity to get together, visit and learn. The activities include award presentations,
